McHenry
HEART OF THE FOX RIVER

The City of McHenry is fortunate in that it has three distinct downtown areas which are rich in history: Main Street, Green Street and Riverside Drive. All three areas consist of quaint specialty retail shops, as well as service-oriented businesses. Each of the downtown districts has its own identity and affords tremendous opportunities for redevelopment. State Route 120 (Elm), State Route 31 (Front Street) and our Growing Riverwalk connect the downtown districts.
